## GREATEST EVENT YET COMING THIS WEEK

Aviation Meet a Ten Strike For Hustling  
Hopkinsville--Flying Men  
Have Arrived.

### JIMMY WARD IN HIS MACHINE.

The only thing that can interfere with the complete success of the great Aviation meet which begins Thursday will be a spell of bad weather. There was a little rain yesterday but the weather is not likely to be inclement at this season and the indications are that 20,000 people will visit Hopkinsville Thursday, Friday and Saturday.

The meet has been thoroughly advertised and the autos are still making daily trips to all surrounding towns.

From every direction comes the news that everybody is coming to enjoy the first and it may be the only chance to see real flying machines without going a hundred miles or more. Judge C. O. Prowse came home from St. Louis Saturday and with him A. H. Lockwood, who will be one of the aviators. They will stay until the meet is over.

Jimmy Ward will arrive tomorrow with his wonderful Curtiss biplane

which is shown in the accompanying cut.

As heretofore announced the meet will be in the North end of the Faulkner farm just South of town and the T. C. road runs through the grounds.

TRAINS TO AVIATION MEET.

Tennessee Central Trains will run every ten minutes first train leaving depot at 12:15 p. m. Roundtrip 10 cents. No vehicles of any kind will be allowed in or near grounds.

The main way to go to grounds will be by T. C. Ry.

There will also be an entrance at the end of Main Street for those who care to go that way.

In order to secure a round trip ticket on T. C. Ry. you must present aviation ticket.

Season tickets good for 3 days \$1.00.

Single admission 50c's.

Children under age 25c's.

## FOLLOWED HER LOVER

Miss Robbie Martin Commits  
Suicide From Grief Over  
Shelby Hill's Death.

Miss Robbie H. Martin, step-daughter of John A. Martin, committed suicide at her home at 114 East Second street, Sunday afternoon, by taking carbolic acid. She was the divorced wife of Everett Jones, of Princeton, but had resumed her maiden name. Grief over the death of Shelby Hill, to whom she was engaged, caused the act.

Hill died Friday of fever, and during his illness Miss Martin threatened suicide in case he died. She spent most of Sunday morning at his grave, and there expressed a wish to be beside him. When she reached home the family were at dinner, and without going to the table she went to her room and took the deadly draught and was unconscious when found. She left a note reading:

"Mother, don't grieve after me. I cannot stand to live without Shelby. Oh, for mercy's sake bury me by the side of my dear one. Don't take my rings and bracelet off."

She was 20 years old, pretty and esteemed by all who knew her. Before coming to Hopkinsville about two years ago the family lived at Princeton, and it was there she was married to Jones.

Miss Martin was a step-daughter of John A. Martin, but her real name was Robbie Martin Buckalew. She was a daughter of Peter Buckalew, Mrs. Martin's first husband. She was born in Crittenden county in 1891.

The body was sent to Princeton for interment yesterday.

Winthrop 20, High School 0.

The Winthrop School of Nashville defeated High School Friday by 20 to 0. The boys were clearly outclassed by a team 25 pounds heavier, though they put up a good game.

## SOLDIERS SENT TO FULTON

To Quell Disorders Growing  
Out of Railroad  
Strike.

GOVERNOR ACTS PROMPTLY.

Company D. Commanded By  
Capt. E. W. Clark on The  
Scene.

Unable to cope with disturbances attributed to the strike of Illinois Central employees, authorities at Fulton asked for state troops Saturday.

No very serious disorders have occurred in the past few days, though minor disturbances have become so numerous local police could not handle the offenders. It has resulted in Illinois Central strikebreakers being frequently beaten and in one or two instances shot.

It is the intention to station the troops in the outskirts of the town, in an effort to stop these disorders.

Company D. Saturday night received a call to proceed with all haste to Fulton, Ky., to quell Illinois Central strike disturbances. At midnight the troops were at the station and took a special train to Fulton.

The company, with between twenty and thirty men in uniform, under command of Capt. E. W. Clark, was assembled very quietly without knowledge of more than a few people in Hopkinsville.

Strictest secrecy was maintained by the officers and men who said they did not know where they were going.

Company D. is one of the very best companies in the state militia, many of the men being seasoned veterans who saw long and hard service in suppressing the night rider uprising a few years ago.

It is not known how long they will be away, as the settlement of the strike is said to be a long way off.

## HAVE TO HUSTLE

If You Keep Up With Things  
This Week.

Every week is a more or less busy week in hustling, hurrying Hopkinsville, but this is to be an unusually busy week with "something doing" all the time.

To begin with yesterday was a stirring day winding up with Sis Hopkins at the Opera House, and a special program at the Princess at night.

To-day W. J. Bryan, Jas. B. McCreary and Ollie James will talk politics before breakfast and all sorts of things will happen during the day and to-night. Wednesday the Young Buffalo Show will spread its tents and wind up its season here.

Thursday, Friday and Saturday the air will be filled with aeroplanes and 20,000 people will visit the city.

In the meanwhile politics is warming up and there are many speakers on the stump helping to make things lively.

The building boom continues, supplemental registration is on at the courthouse, and this is your last day for paying your city taxes if you want to escape the six per cent penalty. You will have to hustle.

## Patient From Hickman.

Mrs. Leona Beach, an asylum patient from Hickman county, died Saturday of exhaustion from acute mania, aged 47 years. She had been in the institution only eleven days. The body was shipped to Columbus, Ky., for interment.
